

PRIVATE PARTY INFORMATION

Our private parties are three-hour functions from 8-11pm, and we require a minimum of 30 guests for a back-room reservation.

We offer two drink packages of \$40 and \$50 per person. Each package is good for three hours of open bar. A 20% gratuity is included in the cost of each wristband sold. We require cash for wristbands as this makes the process of admitting your guests quick and easy. There is an ATM located on site if needed.

The \$40 package is a basic list of our beer, spirits, and wine. The \$50 package includes everything in the \$40 package with more liquor options as well as a selection of our signature craft cocktails.

***In the event you choose a drink package, please inform all your guests that they must purchase a full-price wristband in order to enter the private space. Exceptions can be made for designated drivers, pregnant guests, or guests with medical conditions. This must be arranged between the bar and host.**

***Hosts must guarantee a minimum of 30 guests for a private reservation and will be charged if the minimum is not met.**

***Shots are not included in the drink packages**

For private cash bar (pay as you go) parties we require a \$750 minimum spend amount as well as a 30-person minimum guarantee. Gratuity is not included in the minimum spend amount.

Guests are welcome to bring in or have any food delivered to the bar during the hours of the party. Please be sure to bring all necessary plates, utensils, napkins, etc.

Decorations are welcome, please no glitter or confetti of any kind.

Hosts are welcome to bring their own music in the form of a playlist on any device. Your device can be plugged into our sound system, however bartenders will not be able to operate the listening device for you.
